

Coshocton Amateur Radio Association
Meeting Date: February 5, 2020

Attendance: KC8YXY, KL7RF, KE8WIP, KB8HEA, KE8HEC, AA8BN, NF8U, N8VV

Called to Order: 7:25 PM Local

Treasurer Report: KE8WIP Motion to accept KB8HEA N8VV2nd, Motion passed
Bills: Coax cost to replace a section at .045 Repeater, already approved at last meeting

Newsletter: Looking for someone to volunteer to bring back news letter

- Alternate is for KL7RF to archive website news post to keep some type of history of club activities

Repeater Report: Replacement coax seems to have fixed the 045 repeater. No news on the 440 repeater antenna yet.

Web Page: We are needing information sent in which would be of interest to the members. Check out article written by Heinz.

Library: KC8PUW will call the library to schedule a display month. (We do not know if the library was contacted yet)

ARES: AA8BN discussed the ARES connect system and encouraged all members and ARES people to sign up for all events that you intend to attend. We need to find out what needs to be done to get a coax access from the EMA office to the tower.

New Business: The field day committee will call Michele Darner to get permission to use the Brown Farm on June 27th and 28th and to find out the cost.

Old Business: The new bylaws are signed and are up on the website. The Dresden school will be doing the school club roundup starting February 10th. They will be on the air Tuesday through Thursday from 3PM to 7PM and Friday from 9 – 5

Presentation: KL7RF gave a program on the value and flexibility of Anderson Powerpoles

Close of Meeting: Meeting was adjourned at 8:25PM
