Called to Order: 7:30 PM Local

Repeater Report: All repeaters seem to be functioning properly. Need to check for analog only option for SET to reduce delay. No Audio changes as of yet.

Web Page: Looks Great! Email KL7RF to have radio topics posted

Ares Report:

- Discussed SET activities
- Had Table top exercise to demonstrate how operators will know when to pass messages
- Sorry took so long, cut into NF8U's Satellite Presentation time needed

Old Business:

- Antenna Donated by N2AFV-KL7RF to assemble and test with hopes for possible use at EOC
- NF8U still looking for suitable mast for KB9JSC 440 repeater, KL7RF motion to spend up to \$30.00 for mast, WB8SJQ second, motion passed

New Business: reassignment of net controls, updates to be posted on web site once finalized

Presentation: short one on Satellite and operation by NF8U, Sorry NF8U- KC8PUW

Close of Meeting: Motion by Library closing for the night, we ran!
