

Coshocton Amateur Radio Association
Meeting Date: 9/6/2016

Attendance: KC8YXY, NF8U, KL7RF, AB8SV, N8MXX, KC8PUW, AA8BN, KC8ZWR, KD8YTN,

Called to Order: 7:00 pm Local

Treasure Report: KL7RF (brief notes) motion to accept: Tabled until report has been corrected

Repeater Report:

- 440 Repeater having issues-KL7RF to check with Rod
- .045 wait until spring for tower move? Waiting KB8HEA's input
- .230 working fine

Library Display: Taken down, looking for a theme for next year and flashing lights and lighting bolts

Web Page/Newsletter:

- Up to snuff, you would know if you checked often
- Website is getting updated to current HTML, if you find something not working let KL7RF know
- New Digital Page added to website, looking for input
- Anything news or club worthy contact KL7RF to add

Picnic: Sept 18th 1:00PM at Brown Farm

- Club to provide burgers, hot dogs, buns, condiments, fruit punch/water, and maybe bacon
- **Covered dish- bring your specialty or an wild/exotic side dish** empty covered dishes not acceptable...hihi

Ares Report:

- Ares meetings are being held before club meetings, be there to learn more
- No shows this month-disappointing
- ARES Conference-September 24th, register and contact AA8BN if you wish to car pool.

Health and Welfare: Our wishes for N8VV and KB8HEA to getting healthy and feeling better

Presentation: EMP by NF8U

Close of Meeting: KL7RF 2nd N8MXX
