

Coshocton County Amateur Radio Association
Meeting Date: February 3, 2026

Attendance: AB8SV, W8BR, N8RNB, KC8PUW, NF8U, KC8YXY, AA8BN, N8MXX, KA8BJA, KC8ZWR, KL7RF

Called to Order: 6:02 PM KC8PUW

Treasurer Report: (no treasurer report)

Motion to pay trailer tags: AB8SV

Seconded: KA8BJA

Motion passes

Motion to donate to Keene Township for repeater site: KC8YXY

Seconded: NF8U

Motion passes

Repeater Report: Status quo for “bump bump” on club repeater. First time you wake up 145.23 repeater it garbles your transmission. 440 is currently working on WX8OH repeater.

Web Page: if you have anything of interest to share please send to KL7RF and check the “club news” page for updates

ARES: AA8BN thanked members who have submitted registration forms for the program of ARES. Everyone is appreciated and needed, regardless of your radio equipment or technical abilities.

Old Business: KC8PUW suggested we could hold “raffles” to generate funds for the club. The raffles would not need to be “radio gear” but items of general interest for wider audiences and donated by local businesses.

KC8PUW established a special committee, the “Raffle Committee” for further investigation, members include KC8PUW, AB8SV, and KE8WIP.

KC8YXY will also contact the Coshocton Foundation about CCARA qualifying for grant applications.

New Business: AA8BN shared a health update of a fellow ham we’re concerned for. KC8PUW showed plans and ideas for the ARES trailer buildout.

Program: KL7RF presented “the 3, 3, 3, rule for radio” and “Are we prepared?”

The door prize, *Ham Radio FAQ*, was won by KA8BJA!

Close of Meeting: 7:35 PM

Motion to adjourn: KC8PUW

Seconded: NF8U

Motion Passes
