

Coshocton County Amateur Radio Association  
Meeting Date: February 4, 2025

Attendance: KE8WIP, KL7RF, KC8YXY, AB8SV, N8MXX, AA8BN, KA8BJA

Called to Order: 6:04pm

Treasurer Report: KE8WIP listed the expenses, deposits, and balances of club accounts

Motion to accept: KA8BJA

Second: AA8BN

Motion passes

No bills presented

Repeater Report: KL7RF is going to try a foil shield again to remove the thump when the weather cooperates. Rod's repeater is working fairly well. KC8YXY mentioned its odd that Club and ARES repeaters have the same equipment but different idiosyncrasies.

Web Page: KL7RF updated the swap and shop page - KD8JPP has equipment listed, see the web page for details

ARES: Everyone interested in participating with ARES is asked to fill out the yearly registration form and send to AA8BN

Old Business: KE8WIP talked to the EMA and we can conduct license testing in our meeting room.

AB8SV sent out meeting reminder emails for this month, and will going forward.

KE8WIP scheduled the library display for May

New Business:

Committees were established and will be available on the website

NVIS day was discussed and the club is considering participating for 2025

Program: KL7RF presented a video – How Marconi Changed Shipping Forever

KC8YXY won the door prize (to no one's surprise) - a roll of silicone electrical tape

Close of Meeting: 7:41pm

Motion to adjourn: KE8WIP

Second: AB8SV

Motion passes

Next Meeting: March 4, 2025
