

Coshocton County Amateur Radio Association
Meeting Date: May 6, 2025

Attendance: AB8SV, KC8PUW, KA8BJA, NF8U, KC8YXY, KC8ZWR, AA8BN, KL7RF

Called to Order: 6:10pm

Treasurer Report: (no treasurer in attendance for report, no bills presented)

Repeater Report: KL7RF added a “tin foil hat” to the controller adapter of the 045 machine and greatly reduced the “thump thump”. The 230 machine continues to work well, the 440 repeater still has link issues.

Web Page: KL7RF is looking for pictures, submit your pics for publication on the website!

ARES: AA8BN gave updates on recent and upcoming events in ARES

Old Business: a license testing session is scheduled after the June meeting

Motion to pay \$50 to Brown Farm for Field Day weekend use: KC8PUW

Second: NF8U

Motion passes

Motion to approve KC8PUW to spend up to \$150 for food expenses for Field Day: NF8U

Second: KC8PUW

Motion passes

New Business: NF8U will contact N8VV regarding antennas and equipment

We need to locate the “public info booth” materials/tote

AB8SV will generate an invitation for elected officials and announcements for the Beacon and WTNS for Field Day

KC8PUW will act as Safety Officer for Field Day

AB8SV will send an email invitation to our club list regarding Field Day.

The Skywarn class that was canceled at Tuscarawas has been rescheduled, you can register online.

Program: KL7RF gave a presentation on the ICS 309 Communications Log

KC8ZWR won the door prize (coax patch cable)

Coshocton County Amateur Radio Association
