

Attendance: KD8UXI, KC8YXY, AB8SV, KE8WIP, N8MXX, KE8XM, KA8BJA, KC8ZWR, NF8U, KC8PUW, KL7RF

President Jamie Hoy called meeting to order at 6 pm

Treasurer report-WIP provided update on amount on account and all voted to approve report

Repeater report-We have experienced an issue with our repeater and a reboot was done hoping for a correction. Group discussed various issues they have experienced with connection and possible antenna issues. Motion made by KL7RF to change from auto to standard FM monologue on repeater mike. Motion was seconded and was passed.

NF8U suggested the group spends some time on repeaterbuilder.com that will teach you about anything you want to know about repeaters. KL7RF said he will make a notation on our website with this information. KL7RF also told group to examine our site for changes he has recently made.

Old/unfinished business-Regarding Field Day, KE8WIP said merchandise is available such as hats, t-shirts, mugs and key chains for Field Day which is June 22-23rd. KC8PUW will do shopping for food for the event. Group discussed how much we should donate to the Brown Farm for allowing us to use their facilities on Field Day. The group discussed putting a line or two in The Beacon and the Coshocton FM radio station for publicity.

KL7RF went over schedule to members who will be acting as net control on upcoming repeater nets on Sundays and Mondays.

Presentation-Members watched an old video that is posted on YouTube from 1978 on Ham Radio on broadcasting history. KL7RF motioned for adjournment and KE8UXI second motion. Meeting adjourned 7:35 pm.
